WINTEX UDL SOFTWARE

User-friendly Windows[†] based software, designed for use with the Premier Series of control panels, provides complete remote or local upload/download & system diagnostics for total control & flexibility.

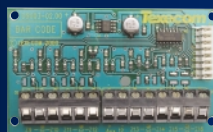

PREMIER 8XP REMOTE ZONE EXPANDER

The Premier 8XP Remote Zone Expander is wired to the data-bus to provide the following features:

- ✓ 8 fully programmable zones
- ✓ 8 fully programmable outputs
- ✓ Speaker driver output with programmable volume control
- ✓ Programmable auxiliary input

PREMIER 8XE LOCAL ZONE EXPANDER

The Premier 8XE Local Zone Expander plugs onto the Premier 24 to provide 8 additional fully programmable zones.

PC-Com

The PC-Com adds the ability to Upload/Download locally with the Premier Series control panels. One end of the PC-Com simply plugs onto the control panel, whilst the other end plugs into a PC or laptop running the Wintex UDL software.

PREMIER REMOTE KEYPADS

RKP8 Plus

RKP16 Plus

Premier LCD

Premier LCDL

A full range of remote keypads are available to suit all installation requirements.

- ✓ Separate indicators for each zone allow the system status to be viewed at a glance
- ✓ 4-wire connection to data-bus
- ✓ 2 fully programmable zones (excludes RKP8 Plus)
- ✓ Multi level back-lighting
- ✓ Built-in piezo electric sounder
- ✓ 1 programmable output (Premier LCD/LCDL only)
- ✓ 1 speaker driver output (Premier LCDL only)

EUROPEAN STANDARDS

Conforms to European Union (EU) Low Voltage Directive (LVD) 73/23/EEC (amended by 93/68/EEC) and Electro-Magnetic Compatibility (EMC) Directive 89/336/EEC (amended by 92/31/EEC and 93/68/EEC). EN 50131-1 Grades 1 and 2.

The CE mark indicates that this product complies with the European requirements for safety, health, environmental and customer protection.
